RoHS CERTIFICATE OF COMPLIANCE

Device: HouseMate

This certification declares that the above device was manufactured with a no lead solder process. This document further declares that all material used in the manufacturing process has been identified by the ordering customer as compliant and does not contain any hazardous substances that exceeds the levels outlines in Directives 2002/95/EU of the European Parliament and the Council of 27 January 2003. All efforts have been made to insure that any and all purchased material has been identified as compliant by the supplier.

Unique Perspectives Ltd. bases its knowledge of, and belief that, all information provided by our suppliers and customers is accurate concerning the substance content of all materials used in the manufacturing process. Unique Perspectives Ltd. continues to take steps to obtain accurate information on all materials but makes no representation or warranty as to the accuracy of information provided by a third party.
